From your President...

What’s that? It's 2013 already? How did that happen??? I don't know about you, but 2012 was quite the blur for me, and it doesn't seem possible that we're only 6 months away from the biggest event in the club's history, the ACA convention. For those that weren't around in 2004, you're in for a real treat, and I think, no, I guarantee that this year's convention will be an historic high, not only for the RMCA, but for the ACA as well. We're fully intent on raising the bar again this year, and making a mark on the ACA's membership at large unlike any other club has achieved. I hope you're on board and will help us make it happen. Contact Bob or Kevin if you're ready to contribute. And if you can only attend the convention, you'll be happy you did.

The club will be working on some improvements this year, aside from the efforts involved in the ACA planning. We'll be working to make our auctions better, our meetings better, and hopefully being a member of the RMCA will mean more to you this time next year than it does now. Planning will be in place well in advance for both the summer picnic and Holiday party. I would like to personally apologize to those that are disappointed that we failed to have a Holiday party this past year, our planning fell short and we just did not execute in time. We'll work hard to make sure that this year will be different. Thank you for your patronage, and I hope you'll make every effort to attend every meeting, the auctions, and of course, the “grand daddy of them all”, the convention. See you soon!

Keith

Sarah has been a hobbyist for over 20 years, but it wasn't until more than halfway through those 20 years that she found her passion—cichlids from Lake Tanganyika. Born in California, moved to Australia and now residing in Maryland she has always lived near an ocean, which bred her other passion—SCUBA. Sarah lives with her husband, cat and 1100 gallons of tanks, which include some rare cichlids from Lake Tanganyika and some exotic plecos. Her husband and herself are currently moved into a new house and are building a large hatchery in their detached 800 square foot garage. She is a member of the ACA and has been on the Board of the CCA for several years. In 2011 she won second place for the ACA spawn of the year. Currently she runs the BAP program for the CCA. Sarah is an administrator at EastCoastCichlids.org and LakeTang.com along with being moderator on several cichlid based websites.

Spring Auction

Come one, come all to the Rocky Mountain Cichlid Association Spring Auction to be held on Saturday, February 23rd at the First Plymouth Congregational Church, 3501 South Colorado Blvd, Englewood, CO 80123. This is at the southwest corner of Colorado and Hampden. The auction will begin at 11:00 with the doors opening at 9:00 for sellers to register auction and quick sale items. Viewing of auction items begins at 10:00.

Watch for directions in the parking lot regarding unloading and parking. There is a convenient area to load and unload for the auction, but don’t plan on leaving your vehicle there! Revenues have been down for the Cherry Hills Police Department. Don’t give them an excuse to try and fill their short-fall.

Complete auction rules and seller sheets are available at http://rmcichlid.org/wp/auctions/.

Let’s all work to make this a highly successful auction. Help spread the news about the auction by handing out flyers at your favorite establishments. The auction is always a good time to share in each other’s success’ as well as looking for new and interesting fish to stock your tanks with. Come on down and have a great time!
